ABOUT TEKANPUR

Tekanpur conjures an image of an oasis in the rocky and barren terrain surrounding the historical city of Gwalior, which exists prominently on the tourist map of India due to its forts, palaces, temples etc.. The BSF Academy, Tekanpur “Birthplace of the Bordermen” was established in 1965. The academy house “**Suraksha Bhavan**” is a beautiful building in the shape of an anchored ship designed by T A Ritcha, a Spaniard whose architectural marvel Padam Vilas Palace of Pune still stands majestically.
